

ABOUT US

Morgan International Community School is a co-educational primary to secondary boarding school that opened its doors in August 2013 to students from all corners of the globe.

By virtue of our programmes and social organisation, our students develop skills, apply their knowledge with understanding; and show outstanding creativity in their approach to problem-solving which have become part of the notable brand of our students' outcome.

MICS aspires to be a globally renowned centre for innovative international education. To achieve this, the school assures a welcoming, supportive and safe environment, the school fosters love for excellent learning that encourages the development of skills, knowledge, creativity, international-mindedness and multiculturalism.

ACADEMIC PROGRAMS

MICS offers both International and National Curriculum.

International Curriculum

Our International Program ranges from Primary through to Grade 12 where students graduate into various prestigious Universities The programs are:

IBDP - Grade 11&12 The International Baccalaureate (IB) Diploma Programme is a two-year program primarily aimed at students aged 16 to 19. It leads to a qualification that is widely recognized by the world's leading universities. We have achieved 100% pass rate in the IBDP examination in the past years. After the IBDP program, our students obtains up to 100% scholarships into the various Universities and Colleges. Some include:

- University of Toronto
- University of Birmingham
- University of British Columbia
- Simon Fraser University
- Georgia State University
- University of Alberta

IGCSE: Grade 9 & 10 are the International General Certificate of Secondary Education (IGCSE) years. It is an enriched curriculum which offers students the skills of critical thinking with the the ability to apply theoretical concepts to everyday situations. We have always achieved excellent performance in the IGCSE results over the past years.

Grade 7 & 8: Grade 7 & 8 subscribe to the Cambridge Checkpoint Examination which ensure students come out tops in English, Mathematics and Science.

Cambridge Primary: Our cambridge primary ends at Grade 6 where pupils are groomed to think, write and express themselves through a tested homespun curriculum.

CO-CURRICULAR ACTIVITIES

In keeping with Morgan International Community School - MICS' mission by assuring a welcoming, supportive and safe environment, the school is keen about student's participation in after school activities outside the academic arena. There is great excitement each academic year since MICS opened and students are constantly motivated to trying something new.

With the proven case that our vibrant co-curricular activities have made school fun and nurtured the valued of service, healthy competition and confidence; MICS organises Sports fixtures, involves students in Clubs & Societies which debate among other pursuits; and a MICS culture which provides service to the community.
